## Procedures

Determine which summer school subjects your child will be taking through a conference with your child's teacher or principal.

Complete the right side of this flyer. Be sure to note the information on the back side of the flyer and then sign it.

Give the right side of this form to the school office with your registration and tuition fee(s). All fees are due when the child begins classes. There is no book fee. The tuition covers the cost of materials.

Make sure that your child arrives and is picked up daily according to the assigned times. There is no extended care service. Students may not be left at the church or school unattended.

Please submit a written note to the summer school teacher each time your child is tardy or absent. A high school student will fail his class if he misses more than eight hours of class time.

**Summer school attendance does not guarantee promotion to the next grade level.**

**Dress Code:** The students will abide by the same dress code as stated in the student handbook for the regular school year.

**Faculty:** SFGS educators will be supervising the classes during our summer sessions. They will be able to provide stimulating one-on-one instruction. The teacher will prescribe whatever resources necessary to help the students overcome academic deficiencies.

**Cost:** Please note that all fees must be paid before the child attends classes.

**\$ 30.00** —Registration Fee

**\$ 30.00** —Late Registration Fee (after June 10, 2011)

**\$400.00** —Tuition Fee

**Hours:** Summer School operates from 8:00 a.m. to 12:00 noon. Your child may not have to be present during the entire time. Your child's teacher will inform you of specific times.
